

Model 430

Frozen Beverage Freezer

Single Flavor

Features

Vary your menu by offering shakes & smoothies or frozen cocktails, fruit juices, coffees, cappuccino and tea slush beverages, all served at the desired thickness.

Freezing Cylinder

One, 4 quart (3.8 liter).

Mix Hopper

One, 20 liter. Refrigerated to maintain mix below 5°C.

Approved for dairy and non-dairy products.

Indicator Lights

Add Mix light alerts the operator to add mix. When the Mix Out light ON, the unit automatically shuts down to prevent damage.

Automatic Consistency Control

A specially designed viscosity control automatically maintains superior product quality. An adjustable control allows the operator to serve a wide variety of frozen beverages at the desired thickness.
